

HCST415 : Preparation for Professional Practice

This course is designed to prepare the student for a career and/or pursuit of an advanced degree in the health professions. Emphasis is placed on career planning and the exploration of healthcare careers and graduate programs. The course promotes application of professional standards, guidelines and competencies related to the future health professions role the student intends to pursue. Upon completion of this course, the student will be prepared to apply for positions in healthcare settings or for an advanced degree.
