

## NURA102X : Basic Nursing Assistant (non-credit)

This course is designed to train the beginning nursing assistant (NA) to provide safe, effective, and caring services to the patients of any health care setting. It is designed to meet the training requirements of both federal law and Nebraska state law for nursing assistants working in a licensed nursing facility. The skills and knowledge contained in this material can be adapted for any health care or residential setting.

### **Prerequisites**

Must be at least 16 years of age. First day of class is mandatory. All required forms must be turned in at least one week prior to your first day of class. You will complete a background check online that must be completed within 5 days of receiving the email notification. Contact Records and Registration for a complete list of requirements.

### **Concurrent**

NURS102L Basic Nursing Assistant Lab.
