

# Midterm Course Warning

The purpose of the midterm course warning is to inform a student that they are functioning below a 75% average in a theory course or theory component of a course in the declared major.

General education courses effective fall 2019: a student will be informed of midterm course warning when they are functioning below a 70% in a general education course. For students who entered prior to fall 2019, a student will be informed of midterm course warning when they are functioning below a 75% in a general education course. The student will be informed of their status by the Registrar.
