

President's & Dean's List

Bryan College of Health Sciences compiles and posts the President's and Dean's Lists each semester to recognize undergraduate students for their excellent academic achievement. The President's List is composed of students who were taking 12 credit hours or more for the semester and received a 4.00 grade point average (GPA). The Dean's List is composed of students who were taking 12 credit hours or more for the semester and received a GPA of 3.50 to 3.99.
