

College Closing Policy Due to an Emergency

The College will be as comprehensive as possible when making announcements concerning emergencies; however the ultimate decision for safety rests with the individual student or staff member. The individual should never travel to a classroom, clinical site, or other college-related function if the safety of the individual is threatened by the situation or by the act of travel.

- College administration will monitor emergency situations to determine the extent to which some or all College operations will be suspended. Emergency situations are usually weather-related, but can also include, but not limited to, utility outages, health emergencies, or local or national crises.
- In the event of an emergency situation, College Administration will announce the decisions concerning College operations as soon as possible. Announcements will be posted as soon as possible via Bryan College App, email, the College website, local television stations and social media when applicable.
