

# Writing Center

The Writing Center will address students' writing concerns in a timely, friendly, and knowledgeable manner. Writing Center consultants will provide help in all stages of the writing process: invention, organization, and revision.

Students can meet with a writing center consultant about any writing project they are working on, whether it's an assigned essay for class, a cover letter and resume for a job, or just writing for fun. Students should bring their paper, and directions or requirements to the appointment. Hours will be posted at the beginning of each semester.
