

Student Identification Badge

An identification badge is issued to all Bryan College of Health Sciences students. This badge provides identification and/or access to patient care areas, computers, skills lab, and checkout privileges from the library.

This Name ID Badge is more than a name tag. The following rules apply:

- Students are responsible for properly securing, storing, and maintaining identification badges.
- No stickers or pins may be placed on the identification badge without the permission of a faculty member or school official.
- The identification badge holder must be clean and maintain a professional appearance
- Identification badges must be worn on campus for all class and clinical experiences. No exceptions.
- During flu season a sticker will be placed on the identification badge indicating receipt of the flu immunization.
 - Once flu season has been declared, students without a flu immunization sticker will be required to wear a mask at all times during class and clinical experiences that are held on campus.
 - If a student forgets their identification badge and flu season has been declared; the student will be required to either retrieve their identification badge or wear a mask for the day.

Student Replacement Identification Badge

- A lost identification badge is a potential security risk to Bryan College of Health Sciences and Bryan Medical Center.
 - During regular College business hours the student must immediately notify the College IT Department of a lost identification badge.
 - During non-College business hours the student must immediately notify the Bryan Medical Center Information Technology (IT) Help Desk at 402.481.8960 and leave a voice message with the Records and Registration Office.
 - In order to prevent unauthorized access to doors and computer systems lost identification badges will be disabled.
 - Students must submit a Name Badge Replacement Form to the College IT Department.
 - A replacement identification badge will be issued to the student within two regular College business days of the request.
- Damaged identification badge:
 - Students must turn in their damaged identification badge and submit a Name Badge Replacement Form to the College IT Department.
 - A replacement identification badge will be issued to the student within two school regular College business days of the request.
