

INTL202-2 : Academic Travel Abroad

The Academic Travel Abroad is a team-taught, variable-credit course that satisfies 2-3 hours of general education credit. It offers a first-hand introduction to the history, arts, and healthcare systems of other cultures, including at least one hospital tour for students to interact with providers and educators from another system. The course may include more than one culture and may be repeated as different cultures are visited. The 10-day travel experience in December is the keystone of INTL202, which consists of the following: \ - Pre-trip evaluation; \ - Pre-trip meetings, monthly lectures (online platform), note-taking, readings, and assessments; \ - Intra-trip note-taking, journaling, breakfast meetings, and reflection; \ - Post-trip submission of course requirements through the spring semester; \ - Post-trip evaluation.
