

Financial Aid

Students should apply for an FSA ID prior to completing the FAFSA. The FSA ID allows access to Federal Student Aid's online systems and functions as the legal electronic signature. Students who are dependents should also encourage a parent to apply for an FSA ID. Students and parents can create the FSA ID at www.StudentAid.gov.

In addition to the FAFSA, students will need to complete the FAFSA Awarding & Verification Portal. This system allows the student to determine their own federal aid packaging according to their program of study, grade level and financial need data. Information regarding completing the FAFSA Awarding & Verification, as well as priority funding deadlines, can be found at bryanhealthcollege.edu/financialaid. Students should apply for financial aid before the start of the term. Upon special circumstances, students will be allowed to apply for financial aid up to 90 days after the start of the term.

A student must be in good academic standing and be enrolled for a minimum of six credit hours (fall, spring and summer) to be eligible to receive Federal Student loans for that semester.

Types of Financial Aid

Bryan College of Health Sciences offers a variety of financial aid opportunities to students. Types of aid available include: Unsubsidized Federal Direct Loans, Federal Direct Grad PLUS, Pell Grants, State Grants, Federal Work Study, college based grants, scholarships and private loans.

Scholarships

Students who wish to receive Bryan Foundation scholarships should complete their online scholarship application form at bryanhealthcollege.edu/scholarships. The online scholarship application is available annually March 1-15.
