

Waiver of GSTU101, Introduction to Bryan College of Health Sciences Experience

Students who have 36 earned semester credit hours from another institution(s) or who have completed a degree at the associate's level or higher can be awarded credit by waiver for GSTU101 after successful completion of a transfer student orientation that is in addition to the new student orientation that all students complete. The transfer student orientation must be successfully completed by the last day of the midterm week of the student's first semester at Bryan College of Health Sciences. If it is not completed by that date, the student will need to register for the GSTU101 in the second semester at the College.
